WHY REFER TO EVERBLOOM

A Personalised, Local Approach

- **Genuinely personalised support** — we take the time to understand each participant's goals and routine rather than fitting them into a fixed package.
- **Local knowledge** — based on the Central Coast and working across the surrounding region day to day.
- **Flexible funding fit** — built around self-managed and plan-managed arrangements specifically.
- **Easy to reach** — a direct point of contact for Support Coordinators, Plan Managers and families, not a call centre.
- **Open communication** — happy to discuss a participant's needs before a referral is finalised, to make sure it's genuinely the right fit.
